Hey K-5 Kids!

Have you ever wondered who made you and everything else in this world?

Have you asked, why am I here and what should I be doing in this life?

Well, you'll find out the answers to these questions, make friends, play games, and have fun at our Kids 4 Truth Club!

- **Developers:** Kindergarten and 1st graders will be using tools to build a strong foundation of God's truths for everyday life.
- **Detectives:** 2nd and 3rd graders will use clues from God's Word to search out the wonderful truths of God.
- **Defenders:** 4th and 5th graders will need to use the armor of God as they learn God's truths to fight against the temptations and lies of this world.

There is a small fee for books.

Hope to see you!
